Note

In connection with the Shimoga Town Extension necessitated by the floods, the Municipal Council have requested permission for their curring an expenditure of Rs 75,000 for the improvement of the water supply and for effecting urgent works required for the Town, other works being attended to from year to year as may be required

2 This expenditure is proposed to be met as follows

Rs 25,000 from sale of sites

Rs 25,000 Government grant for extension

Rs 25,000 loan granted by Government for extension

The Municipal Council expect to recoup this expenditure in about 10 years by the levy of Rs 2 each per mensem water rate for 500 house connections for which demand is already said to have been received

3 At the same time the Council has requested that they might be relieved from the payment of half the charge for the drainage which the Government have already incurred According to the Chief Engineer, this amounts to Rs 1,24,000 but according to the Comptroller's account amounts to Rs 30,400 and odd as noted in margin The sum of Rs 24,770-10-5 has been charged off in the Government Account The object in closing the drainage was to treat half the outlay thereon as a loan recoverable from the

(8) I would suggest the following course of action -

(1) The Town Extension Scheme estimated to cost Rs 75,000, is, I think, an urgent measure and sanction may be conveyed to its execution I believe the Government grant of Rs 25,000 was drawn by the Municipality last year and that this part of the cost of the Scheme requires no provision in the Government budget in the current year

(2) A communication containing full particulars of all its indebtedness to Government and to the public may be addressed to the Municipality and it may be requested to formulate definite proposals for payment of interest on the several loans and for their repayment, indicating the particular items of present and prospective revenues which, it is proposed to make available for meeting these demands

As regards the Water Supply Improvement Scheme the Government grant of Rs 25 000 sanctioned towards the Shimoga Extension has already been drawn and the Deputy Commissioner reports that a sum of Rs 43 328/- is expected to be realised from the sale of sites and that out of this amount Rs 29 000/- have already been collected

In view of the urgency of the Scheme sanction may be accorded to its being started, and the proceeds from the sale of sites being first utilised therefor The loan of Rs 25 000, sanctioned may be drawn upon when found necessary later According to the Budget estimate for 1925-26 about Rs 22 000 was expected to be realised from the sale of sites If there is additional fund forthcoming from this source the Government may pro-tanto be reduced in order to limit the obligations of the Municipality as far as pos

Sir,

With reference to your letter No L 4918/1 140-24-8 dated 31st December 1928 calling for detailed information as to the question of discharging the indebtedness to Government and Public, I have the honor to state as follows:-

1. Town Extension ---------- 650 sites have been formed of which 467 have been allotted. A sum of Rs 45,398/- is expected to be realised Rs 37,631/- have been collected till the end of September 1928 and the months of October, November and December 1928, Rs 1767/- have been received & held under deposit pending sanction of Council to the grant of these sit

2 ... Road ---------- ... sum of Rs 7800/- is estimated to be required to ... This will be met out as follows:-

Government grant ---------- Rs 5,000/-
Extra loan sanctioned by Government ... Rs 2,000/-
Road metal ... in site value Rs 3,000/-

29

3 odel Houses:- A sum of F 15,000/- is due on Debentures F 2,000/- is invested in the Government Savings Bank for creating a Sinking Fund and a similar amount will be invested year after year till 1952 when the loan becomes payable

4 Cost of materials supplied by the P W D while handing over charge of Water Works

A sum of F 7110-14-0 is due as per Letter No. 4958 dated 30th October 35 from the Executive Engineer, Special Water Supply and Construction Division, Bangalore This will be paid at F 1,000/- a month out of the collections of mohatarfa tax amounting to about F 36,000/- including the current year's demand Vigorous steps are being taken for recovering the old arrears

5 Loans outstanding:- A provision has been made in the Budget for paying the instalments of the two previous loans as well as the new loan of F 25,000/- sanctioned by the Government in Government Order No L 7047-51/31 10-24-37 dated 3/4th April 38 and also a sinking Fund for the Model House loan referred to supra (para 3)

In case the Government do not see their way to waive their demand for F 35,605/- being the moiety of the cost of the Drainage Scheme, they will at least be pleased to allow the Municipality to discharge this liability in yearly instalments of F 2,500/- made up out of the expected Revenue under the following heads:-

Tolls	2,000/-
Rent from the newly acquired building in the General Market	500/-
Water service connection fees that may be expected out of the fresh connections	500/-

This Council however prays to urge on the Government the claims of the Town of Shimoga which has been growing into importance
